

# In-store impulse-generating merchandiser

Multi Deck 24 - 5 level

**Selling hot food from a self serve merchandiser is a great way to increase your sales and margins. The Fri-Jado heated Multi Deck triggers your customers to pick up hot grab-and-go products in a quick and convenient way, anywhere in the store. And thanks to its upright design, it only uses limited floor space.**

Hot air is blown from the front of the shelf and circulates within the shelf surface resulting in optimum air circulation around the hot product.

Large glazed walls give a 180-degree view of the products. The appealing design gives outstanding product presentation which is sure to boost impulse sales.
