Notes

- These are general drawings, individual counter configurations may differ
- Always check the corresponding Custom Counter Configuration document for the exact counter specifications and the required electrical supply
- Self-contained counters can be supplied with an optional evaporation tray in which case a permanent drain connection is no longer required
- Space underneath the cabinet may be used for ambient or refrigerated understorage depending on the cabinet configuration, always use the connection points as indicated
- Counters should be installed according to local laws and regulations
- Contact Fri-Jado or your local distributor in case of any questions
