

- Legend
- Cabinet outline
 - - - Optional cabinet outline
 - - - Underframe outline
 - - - Condensing unit outline
 - - - Electronics outline
 - - - Humidification system outline
 - - - Space reserved for connections
- D = Drain connection (Ø 1 1/2")
E = Electrical supply (see notes)
W = Water supply (min. 29 psi)
R = Refrigeration connection (see notes)

- Notes
- These are general drawings, individual counter configurations may differ
 - Always check the corresponding Custom Counter Configuration document for the exact counter specifications and the required electrical supply
 - Use the corresponding Technical Datasheets to determine sizes required for remote refrigeration pipework
 - A fixed water supply is only required in case the cabinet is supplied with an optional humidification system
 - Space underneath the cabinet may be used for ambient or refrigerated understorage depending on the cabinet configuration, always use the connection points as indicated
 - Counters should be installed according to local laws and regulations
 - Contact Fri-Jado or your local distributor in case of any questions
